

Daigle receives director certification

SLECA board member Larry Daigle has completed the course-work required to earn special recognition by the National Rural Electric Cooperative Association (NRECA).

Daigle received his Board Leadership Certificate at NRECA's Region 8 and 10 meeting in November. He followed fellow SLECA board member Roger Dale DeHart, who received his certification in 2007.

The director training program distinguishes co-op board members as leaders among the national network of more than 900 electric cooperatives.

NRECA's Director Education program emphasizes the importance of locally-elected directors understanding the roles and responsibilities of their position. The program helps directors acquire the knowledge and skills to govern member-owned cooperatives in today's economic climate.

Daigle, above, left, is shown with NRECA CEO Glenn English and SLECA General Manager and NRECA Vice President Michael J. Guidry. Below, Daigle casts his vote during the business session at the Region 8 and 10 meeting.

SLECA By-Laws

ARTICLE IV

SECTION 3. QUALIFICATIONS AND TENURE (A).

The persons named as directors in the articles of conversion shall compose the Board of Directors until the next meeting or until their successors shall have been elected and shall have qualified. These bylaws acknowledge and affirm the action of the Board of Directors that directors from District 1, 2 and 3 are serving three year terms beginning in the year 1980; that the directors from District 7, 8 and 9 are serving three year terms beginning in the year 1981; and the directors from Districts 4, 5 and 6 will be elected for three year terms in the year 1982. At the annual meeting in 1983, the directors from Districts 1, 2 and 3 will be elected to serve for a period of three years. Thereafter, a director whose term shall expire as above provided shall be elected at the respective district meeting to serve for a period of three years or until their successors shall have been elected by and from the members of the respective district. No member shall be eligible to become or remain director or to hold any position of trust in the Cooperative who is not a bona fide resident in a district served by the Cooperative or who is in any way employed by or financially interested in a competing enterprise. (Amended at a meeting of the membership held on April 28, 1988.) (Amended at a meeting of the membership held on April 10, 1992.)

(B). In order to qualify to become or remain on the Board of Directors, a person seeking or holding the position of Director must live and reside in the District in which he is elected. If said Director should move within the area served by the Cooperative during his term, he shall remain on the board until his successor is chosen at the next district meeting. In the event the Director moves outside the area served by the Cooperative a vacancy shall occur and the Board of Directors shall appoint a new Director. Additionally, in order to qualify as a candidate for director from a district, the candidate must sign qualifying papers at the Cooperative's main office in Houma, Louisiana during the first five working days of February. The qualifying papers shall be returned to the Cooperative's main office.

All applicants attempting to qualify for director will be notified within forty-eight (48) hours of the close of the qualifying period that they do or do not qualify. Written reasons will be submitted for any rejection upon request.

In order to qualify for the Board of Directors, any candidate for election to the Board shall be not more than 45 days in arrears regarding any indebtedness or any electric bill owed to the Cooperative. In the event said candidate is a majority stockholder in a corporation which likewise shall be indebted to the Cooperative by being more than 45 days in arrears on any indebtedness or any electric bill, then that person shall not so qualify as a candidate to be a member of this board. Further, if any Board member, once elected, becomes indebted for any electric bill or otherwise for more than 45 days, or any corporation in which he owns a majority of stock becomes indebted to the Cooperative for its electric bill or otherwise for a period of more 45 days in arrears, then that board member must resign from the Board of Directors at the end of any 45 day period; provided, in the event of a Board member

being asked to resign, he will be given thirty (30) days additional written notice; provided, further, any party affected by the foregoing may make arrangements with the Cooperative to pay any arrearages on a work-out plan approved by the Board so as to remain a member in good standing and thus eligible to be either a candidate for election to the Board or to remain on the Board. (Amended at a meeting of the membership held on April 28, 1988.) (Amended at a meeting of the membership held on April 10, 1992.)

(C.) Blood relatives of employees of the Cooperative shall not be permitted to qualify and run for the Board of Directors. Blood relatives are defined as direct ascendants, descendants and collateral relations; that is, mother, father, son, daughter, grandfather, grandmother, brother, sister, aunt and uncle. (Amended at a meeting of the members held on April 26, 1984.)

SECTION 4 (A). NOMINATION AND ELECTION OF DIRECTORS. Not less than twenty (20) days prior to any meeting in which directors are to be elected, the Board of Directors shall serve notice of a separate meeting of the members of each district from which directors will be elected to be held at a suitable place in such district for the purpose of selecting a director to represent such district and the members located within such district, the notice of such meeting shall be delivered to each member located in such district in the same manner as provided in Section 3, of Article III, and shall indicate the district to which such member belongs. The notice shall state names of the persons running for director and shall state the exact time and place of the meeting. The meeting shall, however, be opened for discussion of any other matters pertaining to the business of the Cooperative, regardless of whether or not such matters were listed in the notice of the meeting; and recommendations with respect thereto may be submitted to the Board of Directors of the entire membership.

The district meeting shall be called to order by the director representing the district or by another designated representative of the Board of Directors, or in his absence, by any member residing within the district. The members shall then proceed to elect a chairman, who shall be someone other than a director, and who shall appoint a secretary to act for the duration of the meeting. Forty members residing in the district shall constitute a quorum. Members must be present to vote. In the event no quorum exists at the district meeting, the election from that district will be held at the regular annual meeting. However, only members from any district lacking a quorum at the district level would be allowed to constitute a quorum for that district (a quorum being a minimum of 40 members) at the annual meeting and vote for the candidate(s) who previously qualified for director as provided for herein. It will not be necessary for there to be a quorum at the regular annual meeting to conduct the district election, provided that district has a quorum of at least 40 of its members present at the regular annual meeting. (Amended at a meeting of the membership held on April 28, 1988.)

SECTION 4 (B). ELECTION OF DIRECTORS. Nominations for directors shall not be allowed from the floor at the district meeting. The election for directors from the various

districts shall take place at least twenty (20) days and not more than forty-five (45) days prior to the annual meeting and newly elected directors shall take office and be sworn in at the annual meeting. Notice of the time for directors to qualify as a candidate for director from a district shall be given to the members at least ten (10) days prior to the time of qualification. (Amended at a meeting of the membership held on May 29, 1986.)

SECTION 4 (C). PROCEDURE FOR VOTING FOR DIRECTORS. The Board of Directors is authorized and directed to enact policies to insure and protect the sanctity of the ballot at all elections for members of the Board of Directors. Voting shall be by secret ballot and can be by voting machine or by ballot box. No member or employee of the Cooperative shall be authorized to fill out the ballot of another member or assist another member with his or her ballot. If a member needs assistance in casting his ballot, this assistance may only be furnished by a person designated to do so by the Board of Directors of this Cooperative and approved by the candidates in the election. After the member has received his official ballot he shall be directed forthwith to the ballot box to cast his vote. No unauthorized person shall be in the voting area during the time that members are receiving their ballots and casting their votes.

The candidate receiving a plurality of the vote shall be declared as the elected director from the district. In the event there are more than two candidates and the top two candidates receive the same number of votes there shall be a second election between the top two candidates. In the event of another tie the Board of Directors shall select a director from among said candidates who were tied. In the event there are only two candidates and there is a tie there shall be no second election and the Board of Director shall select the director from among said candidates who were tied. (Amended at a meeting of the membership held on May 29, 1986.)

SECTION 4 (D). PENALTIES FOR VIOLATING THE VOTING PROCEDURES ESTABLISHED BY THESE BYLAWS AND THE BOARD OF DIRECTORS. Any employee of this Cooperative who violates any of the election procedures established by these bylaws and by the board of Directors shall be discharged from his employment. Any member of this Cooperative who violates any of the election procedures established by these bylaws and by the Board of Directors may be terminated in his membership after a hearing concerning the charges against him before the Board of Directors. Any member may bring charges against another member for violation of election rules. Thereafter the accused member shall be informed in writing of the charges at least ten days prior to the hearing before the Board of Directors at which the charges are to be considered and shall have an opportunity to be heard in person or by counsel and to present evidence in his own behalf.

The question of whether or not to terminate the membership for violation of the election rules shall be voted on by the Board of Directors and any decision made by the Board of Directors may be appealed to the membership at either the annual or special meeting. (Amended at a special meeting of the members held on August 19, 1971.)
